

THE WEALD NEWSLETTER

20th July 2026 Summer Issue 5

Headteacher: James Baguley

Dear Parents and Carers,

We have sadly come to the end of another school year. As always, time has flown by. It has been a busy end of term culminating in the annual Year 5/6 production called 'Grossbusters'. I have to say it was the best production I have ever witnessed. The singing and props were superb and every child knew their lines! A big thank you to the Year 5 and 6 team, especially the director in chief, Ms Price.

I would like to pass on my thanks to Mrs Clarke who organised a wonderful art exhibition recently based on the natural world and the work of David Attenborough. Thank you as well to Mrs Young who throughout the year has organised our 'Young Carers' club. It has provided a much valued experience for some of our children to share their ideas and thoughts in a safe environment. It was a pleasure to recently attend the Pixham Athletics. As always, the children did us proud, especially our two Year 4 children, Mia and Leah who were competing against children older than themselves. Well done to everyone involved and a big thank you to Ms Price for going the extra mile and training the children.

I would also like to thank the music department at Ashcombe School for visiting The Weald last week. The school's junior orchestra put on a wonderful musical performance. Thank you!

As always at this time of year we say our goodbyes to a couple of members of staff, Mrs Moon and Mrs Poole. Mrs Poole will be sadly missed, however, we are hoping she will be back to do some supply work at The Weald during the next academic year. However, we are very sad to say farewell to Mrs Moon who has been a loyal and dedicated member of staff for over 24 years. She will be sadly missed as she has made a real difference to the lives of so many children and I am sure you will want to wish Mrs Moon all the very best as she sails into the sunset. Once again, I would like to say a huge thank you to all my staff for their hard work and dedication during this school year. You have all done a great job again. I would like to wish you all a relaxing Summer break whatever you may be doing.

We look forward to seeing you all again on Thursday 3rd September.

Kind regards,

Mr Baguley (Head teacher)

Safeguarding: Change of Collection Arrangements

Please could we remind you to call/email the office if your child is being collected by anyone other than the parent/carer otherwise the child

will not be released. Also please inform the office if your child is not on the bus and who is collecting them. This is a safeguarding issue and we need your permission before we can hand over your child to another person. Thank you for your cooperation.

Parking Please be reminded that only people with a [blue disabled badge](#) can park on the school grounds at pick up and collection times. We are very limited on space in the front car park and this can be dangerous if too many cars are manoeuvring. If you do not have this badge, please park on the Newdigate Road or in Beare Green Village.

Attendance

Well done to Turing for having the best attendance last week. You were the winners of the attendance cup which is given out every Friday in the achievement assembly.

Please can we also remind parents to call or email the office BEFORE 9:00am on each day their child is absent from school.

ATTENDANCE WHY IS IT IMPORTANT?

EVERY SCHOOL DAY COUNTS!

Children are required by law to attend 190 school days per year. The Government states that every pupil's attendance should be at least 95%.

HOW DO YOU MEASURE UP?

Attendance	Days Absent	Weeks Absent	Lessons Missed
95%	9 Days	2 Weeks	50 Lessons
90%	19 Days	4 Weeks	100 Lessons
85%	29 Days	6 Weeks	150 Lessons
80%	38 Days	8 Weeks	200 Lessons
75%	48 Days	10 Weeks	250 Lessons
70%	57 Days	11.5 Weeks	290 Lessons
65%	67 Days	13.5 Weeks	340 Lessons

89% and below
Drastic effect on
academic achievement

95% - 90%
Cause for concern

100% - 96%
Excellent

Picture News Assembly

In the news this week

Squishy dumpling toys have become popular with many children in recent months. Videos showing people squeezing, collecting, and opening the toys have helped them spread quickly online. As more people have bought these types of toys, Trading Standards officers have been called in to carry out safety checks on some of the products being sold in shops and online.

Things to talk about at home ...

- > What was your favourite toy when you were younger? How did you first hear about it?
- > Do you believe toys become popular because they are fun, because friends have them, or for another reason?
- > If you could invent a new toy, what would it be like, and how would you make it popular?

We are Athletes

Year 3 and 4 Golf Festival

The children took part in eight different activities, giving them the chance to try out a variety of golf skills, techniques and clubs. They showed great enthusiasm, listened carefully and had lots of fun learning something new. Everyone had a wonderful time, and we are very proud of how well they represented the school. Well done to all who took part!

We are Athletes

Pixham Athletics

We are so incredibly proud of all of our athletes who competed at the district athletics tournament at Pixham. Although the trophies didn't come our way, the children represented our school community with immense pride and determination. A particular well done to our two Year 4 athletes, Leah and Mia, who stepped up and competed against year 5s.

Year 5 Capel Military Show

Our Year 5 trip to the Capel Military Show last week was a fantastic experience for everyone involved. The children walked with our Scott Broadwood friends sensibly and respectfully, showing real maturity as they made their way to the show. We are grateful to all those at Capel Military Show for escorting us and leading the day so brilliantly. Watching the tank in the arena was a definite highlight, capturing everyone's attention. The children also loved exploring the British compound and sitting inside an old glider, which helped bring history to life in an exciting and memorable way.

We are Artists

Whole School Art Exhibition

This year, the children of Weald and Scott-Broadwood have used their imagination, creativity and artistic skills to create a fantastic exhibition exploring the diverse habitats found across our planet.

Through a range of exciting artwork, they have celebrated the incredible natural world and the life's work of Sir David Attenborough, whose dedication to educating and inspiring people about our environment continues to have a

profound impact around the world.

Thank you so much to everyone who paid a visit to our exhibition. It was wonderful to see so many children proudly sharing their work with family and

friends and talking enthusiastically about their learning. The pride, confidence and creativity on display made the event truly special.

We are Musicians

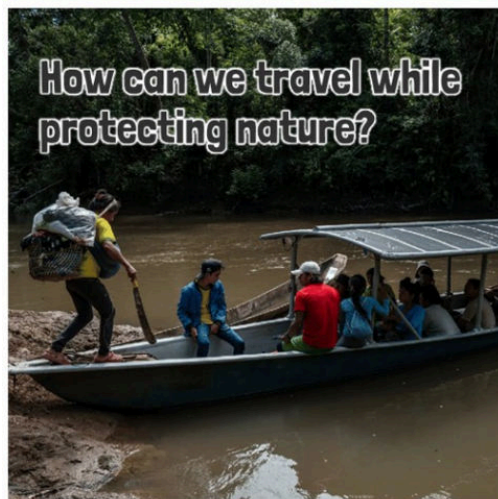

We thoroughly enjoyed today's wonderful performance from the Ashcombe Junior Orchestra. Our children were captivated by the musical extravaganza and loved finding out about the different instruments they saw and heard. I know the experience will have inspired many of them to take up an instrument or continue developing their musical skills as they grow in confidence.

We are Scientists and Authors Plastic Pollution

As scientists, philosophers and geographers, year 5&6 enjoyed sharing their Plastic Pollution persuasive presentations with years 3&4. We were so impressed with the depth of research and oracy skills shown.

Picture News Assembly

In the news this week

People living in remote parts of the Amazon rainforest in Ecuador are using solar-powered canoes to travel along rivers. The boats use energy from the Sun instead of petrol, making journeys quieter and creating less pollution. The project is helping people travel while protecting the rainforest and has inspired other communities in the Amazon to try similar ideas.

Things to talk about at home ...

- > How do you usually travel to school, work, or the shops? Why do you or the adults you travel with choose those ways?
- > Can you think of any journeys that could be different to help protect nature?
- > If you could invent a new way to travel that was kinder to the planet, what would it be like?

Year 5 and 6 Production

There are no words to describe how incredibly proud we are of every single one of our year 5&6 performers who brought Grossbusters: The Musical to life. It was a joy to watch the children perform and give everything they had to put on the most incredible show. Thank you so much to everyone who came to watch and also those who donated to help fund this and future performances at The Weald.

End of Year Leavers Service

You are ready for new challenges. Trust yourself, stay curious, and step into secondary school with confidence. We wish you all the luck in the world.

Celebration Assembly - Tuesday 21st July

Well done to Queenie, Florence, Darcey, Emily, Annabel, Elsie, Josh, Finn, Ellen and Charlie for receiving their Golden Ticket. We are very proud of your achievements.

Dates for your Diary

Autumn Term 2026

1st and 2nd September - Inset Days

3rd September - Back to School

14th September - swimming starts

16th September - Year 3 and 4 Shadow Puppet Man
