

THE WEALD NEWSLETTER

20th September 2024

Autumn Issue 1

Headteacher: James Baguley

Dear Parents and Carers,

I hope this email finds you well and you all had a relaxing Summer. I am already starting to feel a chill in the air with the onset of Autumn.

As usual it has been a busy couple of weeks at The Weald. It was a pleasure to attend St Mary Magdalene Church on the 8th September to celebrate 'Education Day'. It was an opportunity to talk about the importance of 'Education' and the 'Church' and how the community lies at the heart of everything we do. I am looking forward to welcoming many more of you to the church in the near future.

It has also been a busy time in relation to school visits and workshops. Our Year 5 and 6 pupils visited Surrey University last week to learn about all things medical whilst our Year 3 and 4 children had the privilege of listening to and learning from a world famous shadow artist. What a start to the term!

Thank you to all the parents who attended the 'Welcome' presentations hosted by the teachers. I hope you found them beneficial and insightful. As always, our doors are always open if you have any further questions. I am sure many, if not all of you will have read the changes to attendance which the government has enacted this Summer. Please take time to read through my letter, as there are significant implications for parents, especially those who take time off to go on holiday during the term time. Please ask if you are unsure.

I wish you all a relaxing weekend.

Best wishes,
Mr Baguley
(Head Teacher)

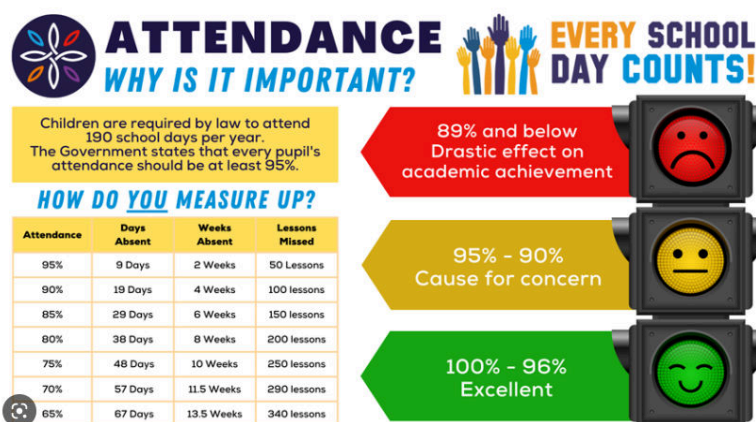

Safeguarding: Change of Collection Arrangements

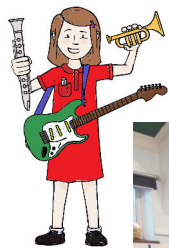

Please could we remind you to call/email the office if your child is being collected by anyone other than the parent/carer otherwise the child will not be released. Also please inform the office if your child is not on the bus and who is collecting them. This is a safeguarding issue and we need the parent's permission before we can hand over their child to another person. Thank you for your cooperation.

Parking Please be reminded that only people with a [blue disabled badge](#) can park on the school grounds at pick up and collection times. We are very limited on space in the front car park and this can be dangerous if too many cars are manoeuvring. If you do not have this badge, please park on the Newdigate Road or in Beare Green Village.

Attendance

Well done to 3/4SM for having the best attendance this week. You are the winners of the attendance cup which is given out every Friday in the achievement assembly.

We are Musicians

What a great start to this super lunchtime club! Last week Rock Band had almost 30 children trying out the club! Logan and Amy were able to showcase their musical talents and they all had a go. This is super news, but sadly we will be having to take this number down to around 12 as that is our limit. Places will be given to those who have already signed up (so please rest assured if you have already signed up by contacting us!) and your child will know if they have a place very soon! If they are not lucky this time round, they will go on the waiting list and have a chance to join after Christmas. Watch this space for more information next week regarding private/in-school music lessons - both Surrey Arts and Open2Music will be coming in to run assemblies to explain how 1:1 and group lessons can work...both offer free trial lessons, so everyone can try an instrument!

The Weald Harvest

We are delighted with how much our vegetables have grown over the summer - as you can see, we really have started to reap what we sowed and had great fun this week pulling up rainbow chard, beetroot and carrots!

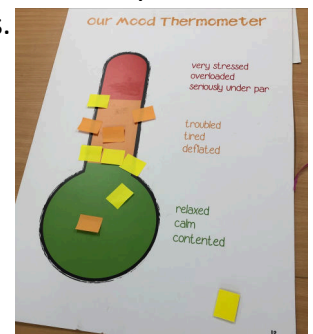

These were passed onto Kim and Hayley in the kitchen and were enjoyed at lunch time as part of our first school roast dinner!

Staff Barnado's Visit

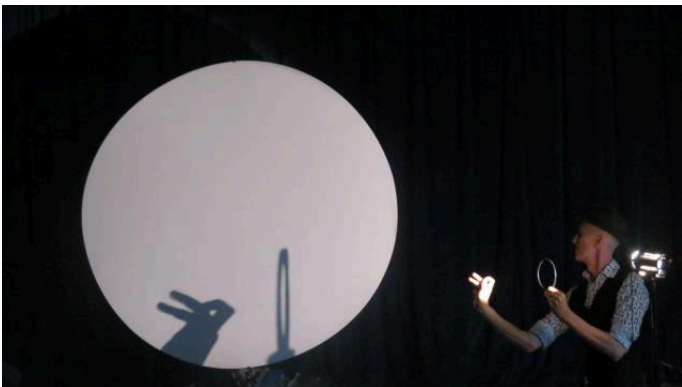

This week staff had a great session with Barnardo's leading our CPD - we revised our understanding of barriers children with ADHD traits have. We went through misconceptions and gave time over to consider what strategies we can refine in school to ensure we are doing all we can in our classrooms to meet the needs of our children. It was interesting to talk in more detail about the three different ADHD 'types'. If you would like to talk about any of this with our SENDCo, Mrs Hopkins.

Year 3/4 Shadow Puppet Visit

Year 3 and 4 were incredibly lucky to be visited by Drew Colby, a world-famous hand shadow artist. His show was phenomenal and we learnt so much about how shadows are created and can be used to tell stories. We can't wait for our enquiry challenge!

Celebration assembly - 13th September

Congratulations to Tyler, Felix, Phoebe, Noah, Logan, Ellie, Soren, Jess, Frankie and Monty for receiving their golden ticket. You are all superstars!

We are Athletes

Tyler competed at the Oxford Open Tournament today, he competed in 14 rounds in total in two divisions against children from Wales and Poland and came home with a Silver and Bronze medals. We are so very proud of his achievement.

Year 5 and 6 Visit to Surrey University

Year 5 and 6 enjoyed a fantastic morning at the NHS Careers Workshop at Surrey University. We were lucky enough to meet nurses, physiotherapists, podiatrists, midwives, dieticians and health care assistants who showed us what their amazing roles involve.

When we arrived at Surrey University we headed straight for a large room where a doctor gave a welcome speech and asked us some interesting questions. We then headed for our first activity, which was physiotherapy. We got to do various exciting things including putting together a skeleton, testing our balance and we even got to use crutches! Next, we visited a podiatrist who told us that we have two pulse points in our feet. Our next stop was a nurse and we learned about lungs and asthma. It was a fascinating morning!
Report by Ava in Year 5

Macmillan Coffee Morning

Lesson Drop In

**MACMILLAN
CANCER SUPPORT**

On **Friday 27th September**, you are invited to join us between 8:45 and 9:15am in the school hall for our Weald community Macmillan coffee morning.

Following your coffee/tea and cake, take a seat in your child's classroom and participate in part of their English lesson until 10:00am. If you are unable to attend, we welcome grandparents or other family members. If you have more than one child, you may move between classrooms.

We are asking for **donations of cakes** to be brought to the school office on **Thursday 26th September**. Please remember that we are a nut free school.

Any cakes that have not been eaten during the coffee morning will be sold to the children during their playtime and lunchtime. Children are therefore permitted to bring in donations of 20p to £1 on the day to buy a cake. All funds raised from the coffee morning and cake sale will be donated to Macmillan cancer support.

We hope you will be able to join us to support this well deserved and needed cause.

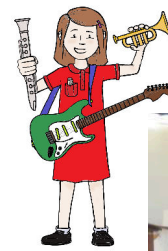

We are Engineers

Rail Safety Talk

This week we had a very special visitor to talk to the children. Tony, who is a Rail Safety Officer, talked to the children about his job and the potential dangers on our railways. The children learnt about stopping distances and speed of trains, the importance of his role and how to stay safe. He even let some volunteers try on his very weighty jacket full of equipment. The children were very engaged and had so many questions for him!

We are Musicians

Open2Music Assembly

We had a great presentation from our visiting music teachers from Open2Music and the children were treated to a great performance! Watch this space for more information coming next week on FREE taster lessons - vocals, drums, guitar and keyboard tasters are all on offer!

Dates for your Diary

Autumn Term 2024

23rd September - Cross Country Event - 3.45pm
 25th September - Individual school photos
 27th September - Macmillians Coffee Morning 9-10am
 27th September - Air Ambulance Talk to children
 30th September - Year 5/6 Resus Rangers Visit
