

English: We are Readers and Authors

This half term, we will begin with a focus on narrative writing skills including character descriptions and setting the scene. Linked to our Enquiry, we will be writing persuasive letters to affect change within our school environment to help save our planet!

Weekly spellings: Spelling lists will be issued on a Monday and tested on a Friday. The spellings will link to the spelling patterns being taught in class. Please encourage your child to practise their spellings each evening and to learn the words from the statutory word lists.

Reading: Our class texts will include a range of fiction and non-fiction texts around the idea of saving our planet.

How can you help at home? Listen to your child read at least three times a week; share a book or an audiobook with your child and talk about actions, characters and reasons for their behaviour. Read other texts based on real life events and make links and comparisons. Encourage your child to write for purpose – this could be a recipe, a diary or match report.

Computing: We are Engineers

The children will apply their knowledge of coding to create loops in games leading to them modifying and creating their own games using loops.

PE: We are Athletes

Outdoor Games: Rounders and Athletics

Children should come to school wearing their PE kit on their PE day

5SJ – Monday Indoor PE, Thursday Outdoor PE

6SP – Tuesday Outdoor PE, Friday Indoor PE

Ask your child:

What have you been today?

How have you been a mathematician or an author today?

What have you enjoyed being today and what did you learn?

Year 5/6 Curriculum Map Summer 2

How are you helping to save the planet?

Important dates:

7th June: Year 6 Sex Ed Nurse session 1
12th June: Maths Parent Workshop
14th June: Year 6 Sex Ed Nurse session 2
19th June: Year 6 Leavers Service
2nd July: Transition/Move Up Day
3rd-5th July: Year 6 Residential
5th July: Year 5 at Capel Military Show
9th July: Sports Day AM
17th July: Year 6 Leavers production AM
18th July: Year 6 Leavers production AM
22nd July: Year 6 Leavers party
23rd July: End of school term

Enquiry: Engineer, Scientist and Geographer

How are you helping to save the planet?

In this enquiry, as geographers we will exploring the impact of humans on the environment and how this differs across the world. As scientists, children will investigate the life cycles of plants and animals. We will consider, as engineers, how small changes and products can help to protect and improve the world for humans and for wildlife. Children will be persuading others to be environmentally conscious through their choices.

Maths: We are Mathematicians

This half term Year 6 will be focusing on Real life project work for example managing money.

In Year 5, we will be returning to decimals, this time exploring calculation with decimals. We will also look at negative numbers, converting between units of measure as well as volume.

How you can help at home? Help your child apply their maths in practical situations. Encourage your child to use the Times Table Rockstar App to learn their times tables and associated division facts. Encourage your child to use number facts to mentally add and subtract with decimals.

Wellbeing: We are Philosophers

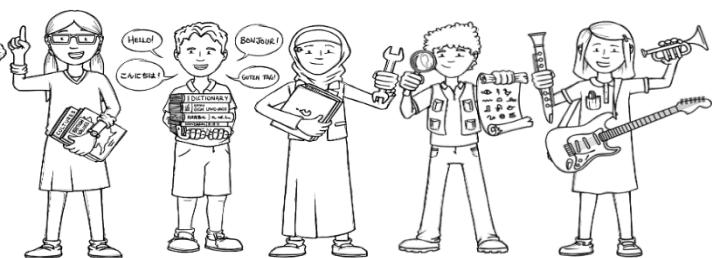

This half term in Year 5 we will be using the text, 'Aaron Slater, Illustrator' by Andrea Beaty. The children will be developing their understanding of the power of art, finding your voice and learning to tell your own story. Year 6 we will be using 'Finding my voice' by Aoife Dooley focussing on transition from Primary to Secondary School.

RE: We are Philosophers

What does it mean to live a 'good life'? Children will draw on a variety of units focussing on different religions to answer this question.

French: We are Linguists

As linguists, the children will be revisiting their learning from over the past year. They will be focussing on conversational language and the written word.

Year 5 and 6 Learning at Home: Summer 2 – How are you helping to save the planet?

Weekly Non-Negotiables

Read five times a week with an adult. Ask an adult to sign your reading record every time you read.

Learn your spellings at least three times a week on Spelling Shed. You will be given new spellings on a Monday, which will be tested on Friday.

Learn your times tables and associated facts at least three times a week on Times Table Rock Stars or on paper, get a parent to record this in your homework diary.
